1	CSC-DC1-SDC	20-APR-2025	1:29 PM	Michel Chami (Michel.chami@diyar.com)	Return		Please note the following with regard to the submitted prequalification for MODERN METAL INDUSTRIES COMPANY: The company is accepted as an equal and approved manufacturer only for block and plaster accessories, as indicated on the transmittal cover sheet. The company is not accepted for gypsum board supporting systems. As per the project specifications, all gypsum board support systems must be provided by an approved gypsum board manufacturer. The contractor shall comply with the Local Content regulations, ensuring that a defined portion of materials and services are sourced locally, as required by relevant authorities. The contractor must also adhere to the allowed percentage allocation for supplier and material provisions, as specified in the contract and applicable regulatory guidelines. Please revise your submittal to reflect compliance with the above requirements.
